

Platinum Package \$2000.00

This package includes all of the services provided in the Wedding Gold Package, including:

- Initial consultation
- Vendor schedules
- Wedding day itinerary
- Rehearsal
- Ceremony
- Reception

In Addition:

- Assist with site and vendor selections. We have access to sites and locations that are not generally listed or open to the public, as well as a large list of "preferred" vendors.
- Once the vendors have been selected, Trulie An Event Inc. will become the "General Contractor" and "Vendor Manager" for the Event, a task that can take over 200 hours to perform on a typical wedding.

Platinum Package Benefits

- Trulie An Event Inc. helps you create an Event "Style and Budget".
- We research and present appropriate sites and vendors for your Event.
- We can negotiate the best rates since we are "repeat" clients with the vendors. With the exception of the initial \$2000.00 consulting fee, our fees are paid for by commissions we receive from the vendors (like travel agents).
- Almost 100% of the time, we will save you the cost of our fee, by getting you the best vendors for the best price. Recently we saved a bride over \$10,000 by presenting just two alternative options to the vendors she had chosen before hiring us.
- We will bring efficiencies to the process that only experience offers.

Platinum Package Benefits (continued)

- Your personal Trulie An Event Inc. Wedding Director will coordinate and communicate with all the vendors and shoulder much of the process.
- With this package, it is not unusual for a wedding event to save significant time and money, as well as provide access to vendors and sites you might not otherwise find.

Our contract with you will detail all vendor services provided, complete pricing and a very simple deposit schedule to Trulie An Event Inc. You will never have to keep track of deposit schedules with 10-15 vendors, or take time to distribute vendor checks on your wedding day. We manage all of these as part of our fee.

Budget

Trulie will help with all areas of budgeting in the following order:

- Initial Rough Budget. This initial estimate is assembled based on your "wish list". This budget allows you to see what things generally cost and will help you to decide on a budget range to work within. This process will help us present the finest vendors within your budget.
- Event Detail Agreement (E.D.A.). This is the contract between you and Trulie An Event Inc. This agreement details the vendors and services that will be contracted, as well as specifying all payment schedules and deposits to Trulie An Event Inc.
- Amendments are made to the E.D.A. when changes become necessary after the contracts are signed (most typically this happens when the reception "headcount estimate" is modified to reflect the actual number of guests).

Vendors Appointments

- Trulie An Event Inc. will assist in finding any or all vendors. We have an extensive list of excellent vendors and we know which ones can deliver what you are looking for across many price ranges.
- All vendor interviews will be scheduled through Trulie An Event Inc. These appointments will be attended by you and your Trulie An Event Inc. Wedding Director.
- Trulie An Event Inc. will also coordinate and communicate all final arrangements to ensure the vendors are well-informed.

Wedding Schedule and Itineraries

- Trulie An Event Inc. will work with you to set up a wedding day schedule. This schedule is important since it will be the road map for your Event.
- We will also create and give each vendor their own "vendor specific" itinerary for the day. This is critical to a successful event. Keeping all parties informed is the most important aspect of having a successful, elegant and memorable event.
- Trulie An Event Inc. will have a point of contact with each vendor and will be in constant touch with all vendors on the day of your event to ensure it all goes smoothly.

Additional Services

- Trulie An Event Inc. is available to manage and coordinate your Engagement Parties, Rehearsal Dinners and other gatherings with your guests. Our consulting fee for this service \$500 (per event) when included with the Platinum Package (does not include any vendor fees). You will realize similar time and financial savings when we coordinate and manage these affairs.
- We can create and manage any "Destination Wedding Event" to any location in the U.S.A. or Worldwide. Trulie An Event Inc. is a full service Travel Agency with an extensive knowledge of many interesting locations (additional fees apply).
- Trulie An Event Inc. can arrange guest lodging for any out of town guests, as well as transportation and special accommodations through Trulie Tours, a division of Trulie An Event Inc. We can also create and manage activities for family and guests. Activities may include (but are not restricted to) customized city and country car and bus tours, ranch activities, vineyards, golf, cart racing, skiing, whitewater rafting, shopping, etc. The additional fee for these services is only \$250 (not including any actual hotel, airline or other vendor costs and activity fees).
- Trulie An Event Inc. can help you decide on Honeymoon getaways as well as book and ticket everything you need.
- It is our goal to create a creative, fun and "stress-free" experience for this once in a lifetime Event.
- From the largest formal event under a tent to a smaller informal affair on a beach, we want you to enjoy the process. Let us shoulder the details.

Please call to set up your initial consultation meeting (complimentary) so we can reserve your wedding date on our calendar.

We look forward to meeting with you very soon!
